

COMMUNITY SPONSORSHIP PROGRAM

Dear Music Supporter,

The West Hall High School Band of Silver Booster Club supports the WHHS Band Program by seeking donations, financial support, and volunteers from individuals and community organizations. We strive to provide opportunities for students to have an enriching music education and opportunities beyond what the school is able to provide. Please consider helping our young students in the West Hall High School Band of Silver for the 2017-2018 School year!

The **West Hall High School Band** Program began in 1988, and has since maintained a rich, respected history. The program consists of the Band of Silver Marching Band, the Symphonic Band, the Concert Band, the Jazz Band, and several smaller ensembles and section choirs. The band program has consistently been a cornerstone to the community and vital to the spirit of West Hall High School. The band is continuously seen by thousands of spectators each year through various performances and events. Unlike a sport or athletic program that lasts only a few months for a season, the band program is a year-long commitment and continues throughout the school year. With so many performances and events throughout the community and state, what better way to show your support than to get involved with the band?

The hard work and dedication of our students is what makes our band program successful. From Friday night lights, to the halftime shows, to the parades, concerts, contests, to the classroom, the West Hall Band students continue to excel in every aspect of the program. For members of the West Hall Band, success is not limited to the concert stage or marching field. The students in the band program are also some of the most academically disciplined at West Hall. The band has the highest aggregate grade point average of any club, team, or organization on campus. Alumni of the band leave West Hall with a discipline and pride that prepares them for all aspects of their future. The band program teaches our students discipline, strong work ethic, teamwork, musical skills, athleticism, camaraderie, and respect. The West Hall High School Band is highly respected and is crucial in building tomorrow's leaders!

The **Band of Silver Community Sponsorship Program** is a great way for local businesses to partner in shaping our young students by providing them with much needed resources to keep the band program alive and thriving. There are various levels on sponsorship and are all based on the amount of contribution during the school year.

Can we count on your support for the Band of Silver for the 2017-2018 school year? We appreciate your consideration to support local students and music education in our community.

Sincerely,

Katy E. Wilson
Director of Bands

SPONSORSHIP LEVELS

The West Hall Band Community Sponsorship program exists to revitalize the growth and support in our community through partnerships with local retailers and vendors. We also welcome donations from private organizations and individuals wishing to be represented in the same manner.
